Chairperson: Karlene Zepp (443) 763-2022

HFA (Adult), HFT (Teen), HFY (Youth)

Please refer to page 28 for Policies, Procedures and Rules for all Open Class Exhibit Hall entries. Judging based on workmanship, choice & placement of design, choice of fabric, color, value in relation to use & time required to make the article. Items should be blocked when necessary. All articles must be new (no antiques). Category FB is judged only on the embellishment to the piece of furniture. Quilts that are pieced by one person and quilted by another must be entered as a group quilt. Hand quilts and quilting means the quilt and/or piece is done entirely by hand. Category G13 and G14 will be judged for long arm quilting only. Category J & JA will be measured from edge of frame to edge of frame. If piece measures exactly to size, the exhibitor may choose either size category for entry. PROFESSIONAL CATEGORY (Needlework teachers and crafters) limited to three (3) items per person. One entry per category. ALL WALL HANGERS: If no dowel/rod is provided with the entry, then the piece will be hung using a safety pin combination.
