President's Message

Dear Fair Members and Volunteers,

June already! Hope everyone has some free time to spend outdoors. The Fairgrounds is a great place to relax, get some exercise, and just enjoy the open space. And while you are at the Fairgrounds, look around to see if anything looks out of place or is in need of repair. There has been a whole lot of beautification going on at the Fairgrounds thanks to Sharon G., the Exhibit Building crew, FFA and 4-H, and as always, the grass cutters, and others I am sure I missed. Let them know that their hard work is appreciated. And we have projects of all sizes. Just ask and we will get you started! We also have cicadas free for the taking if anyone is in need. Please, help yourself.

The goats did a good job removing some of the unwanted plants and the tree plants are looking pretty good now that they have leafed out. A few of the tree plantings will be relocated as they are not in the best of spots and hamper grounds maintenance. We can get to that in the Fall.

A few events held at the Fairgrounds this year have been well attended. Hopefully the trend continues and all events enjoy good crowds. It appears that folks are eager to get out of the house and enjoy some time outdoors. But PLEASE, continue to do

President's Message Continued.....

your diligence, practice social distancing where warranted, and wear a mask if needed.

I would like to mention again that the Fairgrounds was blessed with the approval of our bond bill request for 85K. The 3 projects slated are a new front LED sign, (and the old sign moving to the Back Gate), a new automatic gate at the bank entrance, and a complete and needed makeover for the Lower Stage. Thanks to Bruce Berreano and the many others who put in the hard work getting and submitting quotes, and speaking with elected officials concerning the Fairground's needs.

The Rodeo is just 2 weeks away. I am sure I will see many of you there. It is a fun event and great for the whole family. Come out and support the Fair!

In closing, my condolences to the White Family on Danny White's passing. Danny, Denise, and their daughter Amanda were very active Fair members for many years. They will always be part of our Fair Family and our deepest sympathy to them.

ARUNDEL RIVERS PROJECT

For the past several months the Fair has been working with the Arundel Rivers Federation to remove the invasive species on the Fairgrounds and replant with native species. This is an ongoing project and much has been done and much more will be done in the future.

Right now the Arundel Rivers members are working with us to remove the invasive species from the 4-H gardens at the east side of the Exhibit Building. The gardens have been invaded by bittersweet and grapevines, but in the past several years, several of the gardens have been taken over by a plant called the "chameleon plant," and it is now invading the rest of the gardens. We have sprayed, mulched and rooted out this plant, but it is still in charge.

The next step is to determine just what would be an effective method to get rid of the plant, or at least, make it manageable.

We are also hoping that Arundel Rivers will be able to use our 4-H members to help with this project, and that they may offer training to 4-H'ers to enable them to work and learn about the native species of trees and plants in Maryland.

NEXT MEETING
JUNE 30, 2021

4-H CORNER

The Anne Arundel County 4-H Foundation is back in business! Not quite all the way, but they are having some of the activities that once made up their yearly schedule.

Nominations are now being accepted for the Terry Cooper Unsung Hero Award, which was established in memory of Mrs. Terry Cooper, a dedicated 4-H volunteer who worked quietly behind the scenes doing whatever was needed to support the 4-H Program.

Also, the Foundation's annual County Fair 4-H T-Shirt Contest is underway, and any County 4-H'er can submit a design for the T-shirt that the Foundation gives to each county 4-H'er at Fair Week.

## ENTERTAINMENT GUIDE

Any changes for the Entertainment Guide should be sent to Joseph Degreenia who is working on that task. The Exhibitor Catalog is now at the printers, but there is a copy of it on the Fair's website.

## FFA NEWS

The Southern FFA Chapter was awarded a \$1200 Living to Serve Grant from National FFA to be used to make improvements to landscaping on the Fairgrounds. Members have already completed 3 workdays on the grounds and have renovated the area just below the Giant to reduce maintenance and increase visual appeal. Check out the new shrubs planted just below the Giant next time you visit the grounds.

The FFA members are also working on the landscape beds around the Office and have planted perennials and annuals around the new deck. They are also working on other flower bed maintenance and painting activities.

BYLAW CHANGES

Proposed changes to the Fair's bylaws were submitted by Fair members at the April Membership meeting. They were read at that time and are now being sent to each member and are attached to this newsletter. They will be voted on at the August Membership meeting.

Please do your part by reading them and then voting at the August meeting. If you have any questions you might have, please contact Stacy Eckels, Bylaw Committee chair.

FRONT GATE LOOKING GOOD!

Good news! Our friends at Homestead Gardens will be working on the front circle in front of the Fair Giant soon. Many thanks for all Homestead does for the Fair.

Also, the FFA members have been working on the area in front of the Fair Giant and also in front of the Office. Thanks for all their help too.

WE ARE ONE STEP CLOSER TO WHERE WE BELONG

Together is where we belong, connecting with friends and family has been a little harder this past year. Instead of socializing, we have been social distancing. We have planned staycations, attended virtual events and celebrated special occasions in new and different ways. But through it all, we have never lost sight of the importance of caring for each other, however we can.

FAIR WEEK 2021!!!

Suggested Change for Entire Document:

All "He/She" should be changed to They,

Rationale:

We need to be using the plural pronoun because it does not reference the current director or officers but the future positions as well. It should be plural not singular. "He/She" is clunky.

ARTICLE I- SECTION 6- NOMINATIONS (Page 4)

Current Bylaw as Written:

The nominations of Officers and Board of Directors shall be submitted August 1 through September 30 of each year. Nominations cannot consist of nominees that would exceed the total of five (5) fair members belonging to the same non-profit organization, or more than three (3) fair members belonging to a for-profit organization.

Suggested Change

The nominations of Officers and Board of Directors shall be submitted August 1 through September 30 of each year. Nominations cannot consist of nominees that would exceed more than three (3) fair members belonging to a for-profit organization.

Rationale (reason for change)

This bylaw is not enforceable, and we are currently in violation of this bylaw by all being members of AACo Fair, which is a non-profit organization.

ARTICLE II, DIRECTORS, SECTION 2...HOW ELECTED: (Page 5)

Current Bylaw as Written:

Directors will be elected by ballot on the night of the election. A majority of votes cast is required for election.

Suggested Change:

Directors shall be elected by ballot at the Annual Membership Meeting in the month of November each year. A plurality of votes cast is required for election.

Rationale:

In a race among three or more candidates, the *plurality* is the excess of the leading candidate over the next-highest-scoring candidate or that the winning candidate only needs to get more votes than a competing candidate.

Date: 4/9/2021

ARTICLE II- SECTION 9... VACANCIES (Page 7)

Current Bylaw as Written:

Vacancies in the Board occurring between annual meetings shall be filled for the un-expiring portion of the term by a majority vote of the remaining Directors

or be held open until the next annual meeting as determined by the Board of Directors.

Suggested Change:

Vacancies on the Board of Directors occurring between corporate meetings shall be filled for the un-expiring portion of the term by a majority vote of the remaining Directors or be held open until the next corporate meeting as determined by the Board of Directors.

Rationale:

In Article I- Section 1 it refers to our November meeting as our cooperative meeting,

ARTICLE II- SECTION 9... SPECIAL EVENTS (Page 7)

Current Bylaw as Written:

Anyone wishing to use the Fairgrounds for a Fair special event must submit a request in writing or via email to the Board no later than thirty (30) days before the event, for approval. (Amended 8/2018)

Suggested Changes:

ARTICLE V: MEMBERSHIP- Section 8...SPECIAL EVENTS

Fair members wishing to use the Fairgrounds for a personal private event must submit a request in writing or email to the Board of Directors no later than thirty (30) days before the event, approval is subject to availability and membership status. Cost for fair members to host an approved private event is \$100.

Rationale:

This bylaw is located in Article II which refers to Board Members, "anyone" is very vague. Our event calendar is priority. Members should be paid regular members. Our members should be making at least \$100 donation to use the grounds.

Submitted by Stacy Eckels

Date: 4/19/2021

ARTICLE III, OFFICERS, SECTION 2...ELECTION: (Page 8)

Current Bylaw as Written:

All Officers of the Anne Arundel County Fair, Inc. shall be elected by ballot at the Annual Membership Meeting in November each year and shall hold office for a term of (1) year or until their successors are duly elected. No person shall hold more than one (1) elective office. (Amended 8/15/02)

Suggested Change:

All Officers of the Anne Arundel County Fair, Inc. shall be elected by ballot at the Annual Membership Meeting in the month of November each year and shall hold office for a term of one (1) year or until their successors are duly elected. A plurality of votes cast is required for election. No person shall hold more than one (1) elective office. (AMENDED 8/15/02)

ARTICLE III- SECTION 3 DUTIES OF OFFICERS: PRESIDENT (Page 9)**Current Bylaw as Written:**

He/She shall have the power to declare a "State of Emergency" in the event of an unforeseen or natural disaster. (Amended 8/15/2001)

Suggested Change

They shall have the power to declare a "State of Emergency" in the event of an unforeseen or natural disaster and coordinate the emergency response plan as needed.

Rationale:

The Emergency Response Plan has assignments of responsibility of which the President is the coordinator. He/She to They, all pronouns should be adjusted in this document.

ARTICLE III- SECTION 3 DUTIES OF OFFICERS: TREASURER (Page 11)**Current Bylaw as Written:**

He/She shall render a statement of the condition of the finances of the Corporation at each regular meeting of the Board of Directors, and at such other times as shall be required of him/her, and a full financial report at the January meeting of the Membership

Suggested Change

He/She shall render a statement of the condition of the finances of the Corporation at each regular meeting of the Board of Directors and regular membership meetings, and at such other times as shall be required of him/her, and a full financial report at the January meeting of the Membership.

Rationale (reason for change)

With the separation between BOD meetings and Membership meetings, the Treasurer is no longer required to present finance reports to membership apart from during the January Membership meeting. This change in the bylaw wording would correct that.

ARTICLE III- SECTION 3 ... DUTIES OF OFFICERS: TREASURER (Page 11)**Current Bylaw as written:**

He/She shall authorize and audit to certify the Treasurer's books, annually and before they are turned over to the Treasurer-Elect.

Suggested Change

He/She shall authorize an audit to certify the Treasurer's books, annually and before they are turned over to the Treasurer-Elect.

Spelling error.

ARTICLE V, SECTION 3a... FAMILY MEMBERSHIP: (PAGE 13)**Current Bylaw as Written:**

Application for Family Membership must be in writing on an application form furnished by the Anne Arundel County Fair, Inc. (or a copy thereof). The Membership Committee must approve the application before membership becomes effective. Family Memberships will be entitled to one vote per membership and one free admission to the fair. Optional: Two votes per family and two free admissions to the Fair. (This will increase the dues to \$20.00). (August 2007).

Suggested Change

Remove the Family Membership bylaw

Rationale (reason for change)

The membership committee feels that the family membership option is redundant and not being utilized.

Submitted by Mitzi Hardy

Date: 4/9/2021

ARTICLE V, Section 4.... DUES: (Page 13)**Current Bylaw as written:**

Regular membership dues shall be ten dollars (\$10.00) per year. Members failing to renew their membership by August 31st, each year, will be dropped from the membership roll, and must apply as new members to regain membership.

Suggested Change

Regular membership dues shall be twenty dollars (\$20.00) per year. Associate membership dues shall be 10 dollars (\$10). Members failing to renew their membership by August 31st, each year, will be dropped from the membership roll, and must apply as new members to regain membership.

Rationale (reason for change)

The cost of membership has been the same for many years, but we have seen an increase in cost of doing business across the board. Generally, organizations periodically increase their dues. Associate membership comes with less benefits and will mainly be members under the age of 18.

ARTICLE VI- SECTION 2.... LIQUIDATION

(Page14)

Current Bylaw as written:

In the event of the liquidation or dissolution or the winding up of the affairs of the Corporation, the assets shall be expended in a manner which would promote or foster the cultural interest in Anne Arundel County.

Suggested Change

In the event of the liquidation or dissolution or the winding up of the affairs of the Corporation, the assets shall be expended in a manner which would promote or foster the agricultural interest in Anne Arundel County.

Rationale:

We are an agricultural fair promoting the agricultural interest in Anne Arundel County. Funds should be spent to continue supporting agriculture.

ARTICLE VIII- SECTION 1: NOMINATING (PAGE 15)

Current Bylaw as written:

Consisting of three (3) members. This committee shall present at least one (1) candidate per office and at least five (5) candidates for Directors of the Corporation at the October Membership meeting.

Suggested Change:

Nominating: Consisting of at least three (3) members. The committee shall receive recommendations for new board members and officers.

The committee shall contact each candidate and make an assessment for a high level of personal integrity, their level of commitment to the Anne Arundel County Fairgrounds and the availability of the candidate.

At the October board of Directors meeting, the Nominating committee chairperson shall present the full list of nominations and a shortlist of at least one (1) candidate per office and at least five (5) candidates for Directors of the Corporation for formal approval by the Board.

At the October membership meeting, the Nominating committee shall present the full list of nominations as well as the final slate of candidates.

Rationale (reason for change)

This change to the bylaw would provide more guidance on the responsibilities of the Nominating Committee.

ARTICLE VIII- SECTION 1- MEMBERSHIP: (Page 15)

Current Bylaw as written:

The Membership Committee will consist of a minimum of three (3) members. This Committee will approve

applicants for membership and will also be responsible for membership enhancement and appreciation activities. (Amended 8/15/00). The Committee must update records in a timely manner. At the end of the month, a raised membership list must be provided to the Corresponding Secretary for distribution (if new members have been added). (Amended 8/2019).

This Committee will approve applicants for membership and will also be responsible for membership enhancement and appreciation activities. (Amended 8/15/00). The Committee must update records in a timely manner. 2021 Policy Change Suggestions-

POLICIES 5-

Current Policy as Written:

Every committee, none excluded, shall submit a budget to be approved by the Board of Directors.

Suggested Changes:

Every committee, none excluded, shall submit a budget by Oct 31st each year to be approved by the Board of Directors.

This formally provides the Board of Directors appropriate time to prepare the annual budget that is required to be presented at the December Board of Directors meeting.

BYLAWS- ARTICLE III- SECTION 2...ELECTION (to be added below current bylaw):

If the Board cannot find a member that fits the criteria outlined in ARTICLE III-Section 4, then the Board can appoint a person by majority vote to fill an open vacant Officers position.

Rationale (reason for change)

The policy should be integrated into the bylaws part of the Election process. This should not be able to be changed at any meeting and should be reviewed annually through the bylaw process.

It also allows for the Board to appoint a current member to an open Officer position if the need arises by majority vote. This will cause some numbering changes.

The Bylaw Committee Chair has the ability to make formatting and grammatical changes to the Bylaw and Policies Document as long as the structure and meaning of the Bylaw or Policy is not affected.
