Welcome to the 69th Anne Arundel County Fair

It is with great pleasure I invite everyone to enjoy and participate in our 2021 Anne Arundel County Fair! YOUR County Fair is a non-profit organization run and managed entirely by volunteers. Our volunteers donate their time and energy to make the Anne Arundel County Fair a success and their continued dedication allows us all to enjoy such a longstanding and rich tradition, most importantly, we would like you to participate as well!

From agricultural activities including county-grown produce, crops, and livestock, to craft displays and works of art, live entertainment, pony rides, carnival rides and games, as well as many interactive activities for the family, horse and tractor pulls, sawmill, antique tractors, and food!

Our fair has something for everyone. If you or a family member created a craft during the year, we have an entry class for you. We welcome your entries and are excited that you become part of your fair!

We look forward to seeing you September 15th to the 19th at the fairgrounds in Crownsville where our talented residents and youth groups will once again be displaying and competing with the best the county has to offer. Our fair offers a way to spend the day with family and friends and enjoy the many exhibits that will be on display. We look forward to you joining us at the fair!

It has been a very tough and challenging year for all of us. With the cancellation of last year's fair (except for youth livestock shows), and the passing of our Fair President John Kozenski Jr, who served for 19 years, it will be great to see the fairgrounds bustling with energy. John loved the fair like no other. While enjoying this year's fair, please remember to smile. John will most certainly see you.

Thank you again to all of our dedicated volunteers and membership who make this fair possible. And if you would like to volunteer, just ask!

Sincerely yours,
John Faber
President

The Anne Arundel County Fair would like to say "Thank you" to all of the membes and volunteers we have lost throughout the year. We miss your dedication, your knowledge and your smiles.

You are in our thoughts and prayers

John Kozenski Jr.

John was the current President of the Anne Arundel County Fair, a position he had held since 2002. He was the longest running president for the fair. He got his start with the fair as a vendor for the Glen Burnie Farmer's Co-Op. He fell in love with the fair and so began a long relationship. John was an agricultural person who believed in the Fair's mission to teach children about farming, growing and animals. John inspired many young people to become involved with the Fair and 4-H. After working for the Co-Op for many years he went to work for Meyers Seed of Baltimore from 1988 until

August 10th, 2020. He loved to give back to the community and had an amazing knowledge of plant diseases and pests and he would communicate with a wide group of people throughout Maryland. He was also the past Vice President and President of MAAFS. He was voted Fair Person Of The Year. He was a long-time volunteer and supporter of 4-H, FFA, and the Maryland Farm Bureau. John met his wife, Debbie Wolford, at the Fair and later married at the Fairgrounds. He was a loving husband, brother, son, uncle and friend. He will be truly missed.

Danny White

Daniel "Danny" White loved the Anne Arundel County fair. He believed in the power of connection, laughter, family, and friendship and the fair was the perfect place for all of those things. Over the years Danny served as a fair member, board member, 4-H Department judge, member of entertainment committee, chair of beer committee, and was a helping hand in fixing many things around the facility. He was a great friend to many at the fair and will be missed.

Roger Westphal

Roger was a longtime Fair member and served on the BOD. He was also assistant chair in the 4-H Department at the Fair. He was a 4-H Leader and 4-H All Star.

Cheri Smith

Cheri was a longtime Judge of the Fair and always came to judge the 4-H Cake Auction. She would often say that her favorite part of judging was teaching the next generation how to judge cakes.

In Memoriam

The Anne Arundel County Fair would like to say "Thank you" to all of the membes and volunteers we have lost throughout the year. We miss your dedication, your knowledge and your smiles.

Velma Tripper

Velma worked in and then chaired the Sewing Department for several years. She, along with her husband Tom, worked tirelessly to make Sewing an attractive and inspirational place for fairgoers to visit.

Annie Shorter

Annie was a longtime fair member and participated with her family. She was also active in the Grace Independent Baptist Church and a retired nurse from the Crownsville State Hospital.

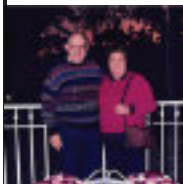

Karlene Zepp

Karlene grew up in our Fair as she came to Sandy Point with her mother in the 1970's, and then to Crownsville when the Fair moved there. She has worked in all of the areas of Home Arts, and even remained active after moving to Minnesota, chairing Home Furnishings, Quilts and Canning, and returning to Maryland for Fair Week.

Robert and Peter Joseph

Robert and Peter Joseph have been longtime supporters of the Fair. They were both involved with Jolly Shows which has been the carnival provider for the County Fair since the Fair moved to Crownsville in the 80's.

Tom and Anne Collison

Tom and Anne were with the Fair from our Sandy Point days and in our move to Crownsville. Tom was the Draft Horse Pull chair until his death last year. Tom also served as Fair vice-president and treasurer for several terms, and was on the Board of Directors for the entire time the Fair has been in Crownsville. Anne was Tom's assistant and volunteer for many years.

Allen Gertz

Allen was a husband, father and lifelong farmer. He had been a member of the Fair since he was 16 and won the tractor driving contest at Sandy Point. Allen has been a collector of antique tractors for many years. At the last count he had 15 refinished tractors. He was a member of the Antique Tractor Club and participated in the Tractor Pulls every year at the Fair.

Roger Gertz

Roger passed away on September 6, 2019. Roger loved his farm, his family and the Anne Arundel County Fair. Roger made his own friends at the Fair and they were so very important to him. He loved helping at the events and talking to all the people passing through. He was a kind gentleman that will be always missed.

Demonstration starts at 6:30 PM

The Sport of Ring JoustingA traditional ring joust -- a test of skill and horsemanship where riders pass through a series of arches, attempting to spear three dangling rings and present them to the judges.

There are three regulation rides for three rings, allowing a knight or maid to capture nine rings for a perfect score. Starting ring diameters range from one and three quarter inches for novices to one inch for professional jousters. Tie-off rides can be conducted with rings as small as one quarter inch in diameter.

Jousting is a sport synonymous with Maryland history. It has survived in Maryland since the founding of the original colony.

FRIDAY HEADLINE SPOTLIGHT

Oracle's repertoire consists of well over 500 songs, covering music styles ranging from Rock & Roll,

current Top 40, Swing, Standards, Country, Classic Rock, Oldies and Motown tunes from the 1960's up to today. With sizzling electric fiddle, lead guitar, rhythm guitar, bass, trumpet, and driving percussion, coupled with the use of cutting edge music technology ,

Oracle covers the hit songs of yesterday and today with a full band sound that actually sounds fuller and fatter than that of much larger groups. We are most definitely NOT your typical wedding band entertainment!

An evening with Oracle is an experience like no other. Each performance is conducted with high energy dance music, variety entertainment, and a large dose of fun that becomes contagious. It's not just a performance...it's a PARTY!!!

SUNDAY HEADLINE SPOTLIGHT

JACKSON DEAN

ABOUT JACKSON DEAN: Odenton, Maryland native Jackson Dean is a singer/songwriter known for his old school, gritty style of Country. Mature beyond his years, Jackson has a daring and carefree spirit, having moved out at 18 years old to live in a cinderblock, concrete floor, one-room shack on the back of his grandfather's property with no heat and no plumbing. Bringing that same sense of adventure to his songwriting, Jackson writes both independently and alongside outliers like Luke Dick, classic writers like Casey Beathard and everyone in between. In his debut, self-titled collection, Jackson Dean, he shows people how real music can be as he captures the reality of the life he has lived. Following an early career of local performances in his hometown, Jackson has joined bills with artists such as Kane Brown, Jake Owen and Brothers Osborne. MARYLAND FARM BUREAU

THE UNITED VOICE OF MARYLAND AGRICULTURE

What is Farm Bureau?

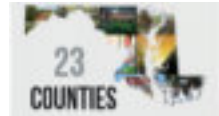

Maryland Farm Bureau is a private, non-profit membership organization.

It is controlled by its members through the democratic process and is financed by voluntary membership dues. Its strength comes from the active participation of 25,000 member families that belong to the state's 23 county Farm Bureaus. The American Farm Bureau Federation represents over 6 million member families in more than 2,800 counties.

“To protect and grow Maryland agriculture and preserve rural life”

From our farms that need us to the nurseries, greenhouses and landscaping operations that beautify our communities. **Maryland Farm Bureau has always championed our rural roots.**

We strive to increase net farm income and improve the quality of life for farmers by providing a legislative voice, increasing public understanding and promoting member involvement.

As a private, non-profit grassroots organization, **our strength come from the active participation of over 25,000 member families** that belong to our state's 23 county Farm Bureaus.

More than half of our members are just like you. They do not farm for a living, but they care about protecting and preserving our farms and rural roots while ensuring that safe, fresh food from right here in Maryland is always available to feed our families.

We are proud to be the united voice of Maryland agriculture.

Using this platform, we are able to:

1. Help protect Maryland's natural resources and rural landscape,
2. Support family farms that are passed down from generation to Generation.
3. Supply access to local food, farmers markets and on-farm activities.
4. Ensure a safe food supply and the humane treatment of animals.

5 Reasons to Join

1. Help protect Maryland's natural resources and rural landscape.
2. Support family farms that are passed down generation to generation.
3. Gain access to local food, farmers markets and on-farm activities.
4. Commitment to a safe food supply and the humane treatment of animals.
5. Save money with exclusive member benefits that support the local economy.

Earning to Live, Living to Serve.**

The History of 4-H

4-H didn't start at any one time or place. It is the result of the work of many people in different parts of the United States who were concerned about young people. From its inception, 4-H tied both public and private resources together for the purpose of helping young people. Two forces generated the idea of 4-H work. One was the concern for education in rural areas. The seed of the 4-H idea of practical or applied educational principles resulted from the concern for the relevance of public schools to county life. The second was a need for advancing the new agricultural technologies produced by research at experiment stations of the land grant college system. The farming community did not readily accept these new ideas and techniques. When Congress created the Cooperative Extension Service at the United States Department of Agriculture (USDA) in 1914, it included boys' and girls' club work. This soon became known as 4-H clubs – Head, Heart, Hands and Health. As 4-H neared its 50th Anniversary, it began to experience several trends. In 1948, a group of American young people went to Europe and a group of Europeans came to the United States on the first International Farm Youth Exchange. Out of state trips and international Exchanges have been highly educational for hundreds of young people in 4-H. 4-H began to extend into urban areas in the 1950's. Later, the basic 4-H focus became the personal growth of the member. Life skills development is built into 4-H projects, activities and events. To help participants become contributing, productive, self-directed members of society. The organizational coordination changed in the 1960's, combining 4-H groups divided by gender or race into a single, integrated program. Today, after 100 years, 4-H is the largest, out-school youth program in the United States both in rural and urban areas throughout the country. It offers youth opportunities in communications, leadership, career development, animal and plant science, home improvement and technology, and much more to nearly 7 million American youth. The program promotes life skills development through an expanding number of delivery modes: 4-H community clubs, special interest groups, EFNEP programs, school enrichment, camping and more. 4-H will continue to grow and develop with the head, heart, hands, and health of youth.
