## Anne Arundel County Fair President's Welcome

It is with great pleasure as Fair President I invite everyone to enjoy and participate in our 2022 Anne Arundel County Fair! YOUR County Fair is a non-profit organization run and managed entirely by volunteers. Our volunteers donate their time and energy to make the Anne Arundel County Fair a success and their continued dedication allows us all to enjoy such a longstanding and rich tradition. And we would like you to participate in celebrating our 70th year anniversary as well!

From agriculture activities including county-grown produce, crops, and livestock, to craft displays and works of art, live entertainment, pony rides, carnival rides and games, as well as many interactive activities for the family, horse and tractor pulls, sawmill, antique tractors, and food! Our fair has something for everyone. If you or a family member created a craft during the year, we have an entry class for you. We welcome your entries and are excited that you become part of your fair!

Please take a look through our exhibitor catalog. I am sure you will find an item or 2 that you can enter and possibly win a coveted first-place blue ribbon. The catalog has all the information, rules, how to enter, judging, and the award process. The catalog also gives the rundown on the many exciting live entertainment acts we have throughout the week.

We look forward to seeing you September 14th to the 18th at the fairgrounds in Crownsville where our talented residents and youth groups will once again be displaying and competing with the best the county has to offer. Our fair offers a way to spend the day with family and friends and enjoy the many exhibits that will be on display. We look forward to you joining us at the fair!

Covid-19 has brought us many difficulties and challenges to overcome. As an organization and a community member, the county fair has made the adjustments needed to continue and thrive. Last year's fair was a great success and we are looking forward to another great year.

Thank you again to all of our dedicated volunteers and membership who make this fair possible. And if you would like to fair volunteer, just ask!

I also would like to thank those volunteer organizations who volunteer their time to our community and Fair. We thank you for your time: AACo. 4-H and FFA, Local Boy Scout Troops, Girl Scouts, AACo. Antique Tractor Club, Master Gardeners, Reserve Officers, AACo Farm Bureau, and Herald Harbor Volunteer Fire Dept. and other Volunteer Fire Dept, and Arundel Rivers Federation. Thanks to other supporting state and county organizations and Departments for their dedication to the integrity, support and safety of our agricultural exhibits. Organizations like the Agricultural Fair Board, MAAFS/Maryland Association of Agricultural Fairs and Shows, UME/Cooperative Extension, MD Farm Bureau, Soil Conservation and many MDA and DNR departments.

To our local Business supporters, thank you for making this fair better to serve its community whether it is as a fair sponsor, vendor, advertiser, donor, contributor, or fairgrounds rental. To all the US Military and First Responders including our County Police, Sheriff's Departments, and Fire Departments, who provide for our continued freedom and protection.  
**THANK YOU FOR YOUR SERVICE!**

Your Anne Arundel County Fair President,

John H. M. Faber

## In Memorial

**The Anne Arundel County Fair would like to say “Thank you” to all of the members and volunteers we have lost throughout the year. We miss your dedication, knowledge and smiles.**

In memory of Josiah Hammond Tice Jr., who was born June 30, 1935, in Annapolis, MD, Joe was a master electrician and farmer on Bestgate road then later moved to a bigger farm in Harwood. He raised tobacco, corn, hay and world champion Quarter horses. Joe was passionate about work and enjoyed sharing his electrical and farming knowledge with others. During his life he spent time volunteering to help in his community. He was Vice President of the Anne Arundel County fair and was involved when the fair moved from Sandy Point to the Crownsville location where it is now. He did the electric work for many decades at the fairgrounds as well as supporting his kids that participated in the fair each year. That tradition has continued with his grandkids.

We remember Joe with fondness and gratitude for everything he did for the Anne Arundel County Fair. He will be missed.

## Sunday Headline Wesley Spangler

If ever there was a natural-born entertainer, it would be Wesley Spangler. Raised in Southern Maryland. He has been performing in clubs through-out the east coast and Nashville Tennessee for the past ten years. Known for his energy and antics on stage, Wesley brings his audiences "into" the music he plays. His multi-instrument talent is showcased on several songs in his shows such as playing the fiddle on Mountain Music by Alabama, one of five different instruments he is able to play! His show is very inclusive and interactive when it comes to engaging with his audience, making it a one-of-a-kind experience! Catch a show and join in the fun! "I love musical instruments of any kind, and it is addicting learning to play new ones!"

Wesley has been nominated for and has received several awards over the past few years for songwriting and performing! I am SO honored to have been chosen for such awards and happy to see the struggles, sacrifices and hard work are paying off!" He has been able over the years to headline festivals, fairs, concerts. and to performed along side DOZENS of nation artists from Blake Shelton to Jimmy Buffet!!

## Sunday Performer Anna Stamato

Songwriter Anna J Stamato is making her official debut in country music as she fuses country's rhythmic storytelling with pop's catchy melodies. Drawing inspiration from Randy Travis, Taylor Swift, and Alan Jackson, the 23 year old Frederick native has her footings in the classic country sound while making it distinctively her own. In 2016, Anna was accepted into the esteemed Songwriting program at Belmont University, where she studied with Grammy award winning professors, producers, and mentored under Marcus Hummon (co-writer of "Cowboy Take Me Away" by the Dixie Chicks and "Bless The Broken Road" by Rascal Flatts). Since graduating in May of 2020, Anna has been performing both in Nashville, TN and Charlotte, NC while she finalizes her upcoming music releases.

# Maryland Jousting Tournament Association

Maryland's Official State Sport

Friday, September 16, 2022

Demonstration starts at 6:30 p.m.

The sport of jousting is a traditional ring joust- a test of skill and horsemanship where riders pass through a series of arches, attempting to spear three dangling rings and present them to the judges. There are three regulation rides for three rings, allowing a knight or maid to capture nine rings for a perfect score. Starting ring diameters range from one and three quarter inches for novices to once inch for professional jousters. Tie-off rides can be conducted with rings as small as one quarter inch in diameter.

With sizzling electric fiddle, lead guitar, rhythm guitar, bass, trumpet, and driving percussion, coupled with the use of cutting edge music technology, Oracle covers the hit songs of yesterday and today with a full band sound that actually sounds fuller and fatter than that of much larger groups.

An evening with Oracle is an experience like no other. Each performance is conducted with high energy dance music, variety entertainment, and a large dose of fun that becomes contagious. It's not just a performance...it's a PARTY!!!

# 4-H

4-H is a Positive Youth Development (PYD) organization based out of the University of Maryland's College of Agriculture and Natural Resources, Extension. Extension connects University research, scholarship, and best practices with our communities through youth members, guided by certified adult volunteers. Our programs began as solely agriculture based. Although we stay connected to our roots with projects in animal science and agriculture, the scope is widening with youth engaged in leadership, service, healthy living, finance, STEAM, creative art, gardening, photography, shooting sports, nature/ environment, and much more! You will see many youth projects on display throughout the Anne Arundel County Fair in the livestock area and the indoor exhibit building in the 4-H section.

With over 100 years of experience, 4-H is the largest out-of-school youth program in the United States in both rural and urban areas. 4-H gives young people experiences – where they can learn by doing, grow from failure, express their ideas, and lead. We tap into their potential and empower them to become true leaders. A variety of delivery modes are utilized: community clubs, special interest groups, school enrichment, camping, and more. 4-H will continue to grow and develop with the head, heart, hands, and health of youth. For additional details, please go to Anne Arundel County's 4-H website.

For out of state animals, see species specific out of state requirements. **Upon request, a person who exhibits livestock shall present for inspection all reports, test charts, and appropriate health certificates required to accompany the livestock and poultry.**
2. **CERTIFICATE OF VETERINARY INSPECTION is required for most entries.**
  - a. **MARYLAND ENTRIES:** All Maryland entries must be accompanied by a Maryland Certificate of Veterinary Inspection (CVI) for show, except poultry, equine and rabbits.
    - The Maryland CVI is **valid for 120 days for fairs and shows**, providing that the status of the herd or animal(s) does not change.

## Maryland Department of Agriculture

---

- The Maryland CVI is a **legible record**, made on an official Maryland State form, issued by a Maryland accredited veterinarian, issued for animals being shown within the state and not crossing a state line, which shows that the animals listed thereon meet the health requirements of the state of Maryland.
- The Maryland CVI **must be completed and signed by a Maryland accredited veterinarian** using the proper selected report on the CVI form. Each animal must be properly identified on the CVI. The veterinarian must select if this document is for fair and exhibition season, sale or other (with explanation).
- The veterinarian is required to send the original (white and canary) copies to MDA Headquarters **within 7 days of completion**, the middle (pink) transport copy is to be retained by the owner and should accompany livestock during travel. The last (goldenrod) copy is for the veterinarian's records.
- **OUT-OF-STATE ENTRIES:** All out-of-state entries must be accompanied by an **Interstate Certificate of Veterinary Inspection**, except poultry and rabbits, require a CVI.
- The Interstate CVI is **valid for no more than 30 days** from the date of inspection.
- An **Interstate CVI must be legible**, made on an official form of the state of origin, issued by an accredited veterinarian, and issued for animals being imported to this state within 30 days before the entry of the animals, which shows that the animals listed thereon meet the health requirements of the state of Maryland.

3. **SELF CERTIFICATION:** A completed *Self Certification* is required for all entries except for equine entering equine only events.

*Self Certification* forms must be filled out within 24 hours prior to loading and presented upon request to the designated representative.

- A *Self Certification* is an official Maryland document **signed by the owner/caretaker/transporter** stating that the animals presented for exhibition are not showing any signs of, or having recent exposure to (within 21 days) infectious or contagious diseases.
- *Self Certification* forms are species-specific for livestock (ruminants, swine), equine, poultry and rabbits.

These forms are available on MDA's Animal Health website:

<http://mda.maryland.gov/animalhealth/pages/fairs-shows.aspx>

4. **TEST REPORT FORMS.** Testing is required for some species, and if so, a test report form will be required unless otherwise documented on the CVI. See species-specific requirements for details of testing and test report requirements.

Examples of test reports are shown below:

- Avian Influenza Testing Report
- Pullorum-Typhoid Testing Report
- Coggins Test Report (Equine Infectious Anemia)
- Tuberculosis Test Report

5. **MARYLAND POULTRY PREMISES IDENTIFICATION** – All Maryland premises with poultry are required to be registered with the Maryland Department of Agriculture. The Poultry Premises number must be noted on the Test Report or other documentation of NPIP U.S. Pullorum-Typhoid and U.S. H5/H7 Avian Influenza Clean or State H5/H7 Monitored status.

## Maryland Department of Agriculture

6. **ANIMAL REJECTION POLICY.** Animals may be rejected from an exhibition, either denied entry or removed from the exhibition, as described below:
- FAILURE TO PROVIDE COMPLETED DOCUMENTATION IS GROUNDS FOR REJECTION.**
  - A SKIN LESION SUSPICIOUS OF RINGWORM TO BE CONSIDERED NO LONGER CONTAGIOUS TO OTHER ANIMALS OR PEOPLE, NEW WOOL OR HAIR MUST COMPLETELY COVER THAT LESION.**
  - Livestock with clinical signs of infectious or contagious diseases or external parasites are not permitted entry or allowed to remain at the exhibition. Clinical signs include but are not limited to: active lesions of ringworm with resulting loss of hair, sore mouth, sore nose, caseous lymphadenitis, prolapse, mange or multiple warts easily visible without close examination.
  - Suspicion of communicable disease is adequate grounds for rejection. Confirmed diagnosis is not required, since timely removal of suspicious animals is required by law to protect the remaining animals.
  - Exposed animals may be rejected: If it is believed that there is a potentially serious communicable disease present, all animals originating with the suspect animal may be rejected. Vesicular diseases are of particular concern.
  - All decisions are final.
  - All parties involved will be notified of all rejections, including exhibit sponsors and supervisors.
  - Animal rejections can be made by MDA Animal Health veterinarians or field inspectors, private veterinarians contracted by the show, Maryland Extension employees or individuals designated by the fair or show as a 'responsible person.'
