4-H is a Positive Youth Development (PYD) organization based out of the University of Maryland's College of Agriculture and Natural Resources, Extension. Extension connects University research, scholarship, and best practices with our communities through youth members, guided by certified adult volunteers. Our programs began as solely agriculture based. Although we stay connected to our roots with projects in animal science and agriculture, the scope is widening with youth engaged in leadership, service, healthy living, finance, STEAM, creative art, gardening, photography, shooting sports, nature/ environment, and much more! You will see many youth projects on display throughout the Anne Arundel County Fair in the livestock area and the indoor exhibit building in the 4-H section.

With over 100 years of experience, 4-H is the largest out-of-school youth program in the United States in both rural and urban areas. 4-H gives young people experiences – where they can learn by doing, grow from failure, express their ideas, and lead. We tap into their potential and empower them to become true leaders. A variety of delivery modes are utilized: community clubs, special interest groups, school enrichment, camping, and more. 4-H will continue to grow and develop with the head, heart, hands, and health of youth. For additional details, please go to Anne Arundel County's 4-H website.

Barn Chairperson: Deana Tice

4-H: Arnelle Quashie/Joy Sim

FFA Advisor: Stacy Eckels

GENERAL RULES FOR ALL LIVESTOCK EXHIBITORS AND ENTRIES:

1. Exhibitors must comply with the State of MD Health Regulations for livestock and submit a copy of the Maryland Veterinary Health Certificate with all entries. Registration Papers and Health Certificates for each animal must be furnished and available anytime during the Fair. Current Health Certificates are checked prior to check in.
2. **All Entries must be submitted through the ONLINE System on the Fair website by Midnight August 25, 2024: www.aacountyfair.org. NO Late entries will be accepted.**
3. Priority for entries accepted will be given to A.A. County Residents, the 5 Southern Maryland Counties, and previous exhibitors first on a space available basis.
4. Stalls/pens will be allotted on a space available basis. Check-In time is Tuesday of Fair week from 3pm to 7pm and check out time is Sunday of Fair week 7pm. Nothing should be removed from the pens/stall/barn prior to this time. Early dismissal is NOT permitted. All livestock exhibitors must have their pens/ stalls checked for cleanliness before leaving the fairgrounds upon checkout or they risk forfeiting premiums.
5. The AACO Fair reserves the right to send any animal home that they believe should not be shown or exhibited.
6. Where there is but one animal in a class, the award shall depend upon the merit of the animal and is left to the discretion of the judge. Premiums will only be awarded where there is merit.
7. Exhibitors will be expected to comply with the Rules, Regulations, and Show Times specified for their respective departments and classes.
8. **Non-compliance with any rules, regulations, or directives from the Livestock Superintendent may result in a forfeiture of premiums and expulsion from the Fairgrounds.**
9. The AACO Fair extends the privilege to 4-H and FFA exhibitors to also compete in the Open Division of all livestock classes.
10. The right to modify, merge and/or cancel any division or class is reserved by the AACO Fair Week Committee or barn chairperson.
11. The AACO Fair reserves the right to cancel any event or contest without notice at any time prior to the actual holding thereof, without liability except for return or entry fees.
12. Premium awards are provided by the MD Agriculture Fair Board and will be based on ribbon placing and availability of funds. The AACO Fair will make every attempt to pay in full premiums, however due to possible budget cuts premiums may not be paid in full.
13. Exhibitors are limited to 6 head of cattle per breed and 10 sheep or goats per breed.
14. Slick shearing of sheep and goats on premise is prohibited unless PRE-APPROVED as a demonstration.
15. All animals must be owned by the exhibitor at least 60 days prior to the check in date for the Fair or be a Fair approved leasing program. All groups of animals must be owned by the exhibitor if shown as such.
16. All animals must be registered in the name of the exhibitor. All animals, in order to be eligible for the group classes, must be entered and shown in their respective individual classes. 4-H and FFA Exhibitors must show their own animals unless they are in the ring showing another animal, in which case an exhibitor in the same 4-H age category or younger may show the 2nd animal in the ring at the same time.
17. Animals cannot be cross entered in market and breeding classes
18. Only 4-H and FFA can participate in fitting and showing classes. See "Specific Rules" under department for fitting & showing details.

NATIONAL CODE OF SHOW RING ETHICS IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS)

Exhibitors of animals at livestock shows shall at all times conduct themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
- Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
- Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event, which culminates with the animal entering the food chain, shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested (by the approved laboratory to which it is sent) is the one taken from the animal in question. Its integrity is preserved and all procedures of said collection and preservation transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.

- Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

- Direct criticism or interference with the judge, fair, or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect and no person shall direct abusive or threatening conduct toward them.
- No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show against such individuals published in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
- The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

2024 MARYLAND ANIMAL HEALTH FAIR AND SHOW REQUIREMENTS

Ref: COMAR 15.11.14.06

MDA Website: <http://mda.maryland.gov/AnimalHealth/Pages/default.aspx>

Effective: January 1, 2024

The Maryland Department of Agriculture's (MDA), Animal Health Program strives to safeguard Maryland's animal industries at our fairs and shows. With an increased potential of disease transmission occurring when large numbers of animals gather for exhibition, MDA has set forth requirements for exhibitors to follow at Maryland fairs and shows. As an exhibitor, you can help reduce the potential risk of introduction and spread of infectious and/or contagious diseases by following the species-specific health requirements below.

IMPORTANT 2024 ANIMAL HEALTH REQUIREMENTS TO MENTION:

1. **CERTIFICATES OF VETERINARY INSPECTION (CVI):**
 - **The accredited veterinarian is required to send the original (white and canary) copies to MDA Headquarters within 7 days of completion.**
2. **LIVESTOCK:**
 - **All cattle and swine must have an EID (electronic identification) or RFID (radio frequency identification) 840 tag. Cattle and swine with non- electronic ID tags will be dismissed upon entry.**
 - **All sheep and goats must have Scrapie Identification in the form of an official Scrapie Identification tag, or a legible and healed tattoo matching identification on breed registration paperwork.**
 - **Livestock petting zoos and pony rides will be allowed with proper CVI, indicating rabies vaccination status, and self-certification documents.**
3. **POULTRY AVIAN INFLUENZA TESTING:**
 - **All in- state poultry must be tested for avian influenza within 30 days prior to the exhibition or originate from an NPIP U.S. H5/H7 Avian Influenza Clean flock.**
 - **All out-of-state poultry must be tested for avian influenza within 21 days prior to the exhibition or originate from an NPIP U.S. H5/H7 Avian Influenza Clean flock.**

Maryland Law provides penalties for violations of Animal Health Law and Regulations. LIVESTOCK AND POULTRY FAILING TO MEET COMPLETE DOCUMENTATION OF ALL REQUIREMENTS WILL BE DENIED ENTRY OR REMOVED FROM THE EXHIBITION -"REJECTED." SEE ANIMAL REJECTION POLICY UNDER GENERAL REQUIREMENTS FOR EXHIBITORS.

Maryland Department of Agriculture

REQUIREMENTS FOR SPONSORS OF A LIVESTOCK/POULTRY EXHIBITION (COMAR 15.11.14.05)

- 1. Notification:** Exhibit sponsors must notify the Maryland Department of Agriculture (MDA), Animal Health Program Headquarters, 50 Harry S. Truman Parkway, Annapolis, MD 21401, of intent to sponsor an event that includes the exhibition of livestock or poultry no less than **30** days before the proposed event. Please fill out all contact information correctly, to include a phone number and email address. Animal arrival times **MUST** be provided to ensure coverage for entry. Please call 410-841- 5810 to request an **EXHIBITION NOTIFICATION form** or go to MDA's website: <https://mda.maryland.gov/AnimalHealth/Pages/Fairs-Shows.aspx>
- 2. Reporting:** Sponsors must report to the Department any animal from the exhibition suspected of having or showing obvious, apparent, or known signs of a contagious or infectious disease and/or deaths; and exclude from the exhibition premises any animals having obvious, apparent, or known signs of a contagious or infectious disease. A summary of all disease events shall be provided to MDA, in the form of an **ANIMAL INCIDENT REPORT**. Call 410-841-5810 to request an **ANIMAL INCIDENT REPORT FORM** or go to MDA's website: <https://mda.maryland.gov/AnimalHealth/Pages/Fairs-Shows.aspx>
- 3. Records:** Exhibit sponsors must maintain a report of the owner, premises location, and species of all animals attending the exhibition and provide this report upon request to MDA.
- 4. Exemptions:** Exemptions of this regulation may be granted. (Refer to *COMAR 15.11.14.05*)

GENERAL REQUIREMENTS FOR EXHIBITORS OF ALL ANIMAL SPECIES (COMAR 15.11.14.04-06)

Exhibitors at state, county, and district fairs, along with other livestock exhibitions, expositions, rodeos, shows, and swap meets are required to comply with regulatory provisions of the State of Maryland relating to animal health as noted in COMAR 15.11.14.04-06. **Requirements apply to all livestock and poultry:** Livestock is defined as those species of animals used for human food or fiber or those species of animals used for service to humans. This includes but is not limited to cattle, sheep, New World camelids (llamas & alpacas), goats, bison, privately owned cervids, swine, equine, and rabbits. Livestock does not include dogs, cats, and exotic pets. Poultry is defined as any living domestic bird raised for food or other purposes including, but not limited to, chicken, turkeys, ostriches, emus, rheas, cassowaries, other ratites, waterfowl, and game birds.

- 1. DOCUMENTATION:** Documentation is required for entry of all livestock and poultry and is described below. Examples of forms can be obtained by visiting the Animal Health website at: <https://mda.maryland.gov/AnimalHealth/Pages/Fairs-Shows.aspx>
For out-of-state animals, see species specific out of state requirements. **Upon request, a person who exhibits livestock shall present for inspection all reports, test charts, and appropriate health certificates required to accompany the livestock and poultry.**
- 2. CERTIFICATE OF VETERINARY INSPECTION is required for most entries.**
 - a. MARYLAND ENTRIES:** All Maryland entries must be accompanied by a Maryland Certificate of Veterinary Inspection (CVI) for show, except poultry, equine and rabbits.

- The Maryland CVI is **valid for 120 days for fairs and shows**, providing that the status of the herd or animal(s) does not change.
 - The Maryland CVI is a **legible record**, made on an official Maryland State form, issued by a Maryland accredited veterinarian, issued for animals being shown within the state and not crossing a state line, which shows that the animals listed thereon meet the health requirements of the state of Maryland.
 - The Maryland CVI **must be completed and signed by a Maryland accredited veterinarian** using the properly selected report on the CVI form. Each animal must be properly identified on the CVI. The veterinarian must select if this document is for fair and exhibition season, sale or other (with explanation).
 - The veterinarian is required to send the original (white and canary) copies to MDA Headquarters **within 7 days of completion**, the middle (pink) transport copy is to be retained by the owner and should accompany livestock during travel. The last (goldenrod) copy is for the veterinarian's records.
 - **OUT-OF-STATE ENTRIES:** All out-of-state entries must be accompanied by an **Interstate Certificate of Veterinary Inspection**, except poultry and rabbits.
 - The Interstate CVI is **valid for no more than 30 days** from the date of inspection.
 - An **Interstate CVI must be legible**, made on an official form of the state of origin, issued by an accredited veterinarian, and issued for animals being imported to this state within 30 days before the entry of the animals, which shows that the animals listed thereon meet the health requirements of the state of Maryland.
3. **SELF-CERTIFICATION:** A completed *Self-Certification* is required for all entries except for equine entering equine-only events.
Self-Certification forms must be filled out within 24 hours prior to loading and presented upon request to the designated representative.
- A *Self-Certification* is an official Maryland document **signed by the owner/caretaker/transporter** stating that the animals presented for exhibition are not showing any signs of or having recent exposure to (within 21 days) infectious or contagious diseases.
 - *Self-Certification forms* are species-specific for livestock (ruminants, swine), equine, poultry and rabbits. These forms are available on MDA's Animal Health website: <https://mda.maryland.gov/AnimalHealth/Pages/Fairs-Shows.aspx>
4. **TEST REPORT FORMS.** Testing is required for some species, and if so, a test report form will be required unless otherwise documented on the CVI. See species-specific requirements for details of testing and test report requirements.
- Examples of test reports are shown below:
- Avian Influenza Testing Report
 - Pullorum-Typhoid Testing Report
 - Coggins Test Report (Equine Infectious Anemia)
 - Tuberculosis Test Report
5. **MARYLAND POULTRY PREMISES IDENTIFICATION** – All Maryland premises with poultry are

required to be registered with the Maryland Department of Agriculture. The Poultry Premises number must be noted on the Test Report or other documentation of NPIP U.S. Pullorum-Typhoid and U.S. H5/H7 Avian Influenza Clean or State H5/H7 Monitored status.

6. **ANIMAL REJECTION POLICY.** Animals may be rejected from an exhibition, either denied entry or removed from the exhibition, as described below:
- a. **FAILURE TO PROVIDE COMPLETED DOCUMENTATION IS GROUNDS FOR REJECTION.**
 - b. **FOR A SKIN LESION SUSPICIOUS OF RINGWORM TO BE CONSIDERED NO LONGER CONTAGIOUS TO OTHER ANIMALS OR PEOPLE, NEW WOOL OR HAIR MUST COMPLETELY COVER THAT LESION.**
 - c. Livestock with clinical signs of infectious or contagious diseases or external parasites are not permitted entry or allowed to remain at the exhibition. Clinical signs include but are not limited to active lesions of ringworm with resulting loss of hair, sore mouth, sore nose, caseous lymphadenitis, prolapse, mange, or multiple warts easily visible without close examination.
 - d. Suspicion of communicable disease is adequate grounds for rejection. Confirmed diagnosis is not required, since timely removal of suspicious animals is required by law to protect the remaining animals.
 - e. Exposed animals may be rejected: If it is believed that there is a potentially serious communicable disease present, all animals originating with the suspect animal may be rejected. Vesicular diseases are of particular concern.
 - f. All decisions are final.
 - g. All parties involved will be notified of all rejections, including exhibit sponsors and supervisors.
 - h. Animal rejections can be made by MDA Animal Health veterinarians or field inspectors, private veterinarians contracted by the show, Maryland Extension employees, or individuals designated by the fair or show as a 'responsible person.'

SPECIES-SPECIFIC REQUIREMENTS

In addition to the general requirements above, specific requirements by species are shown for the following species:

- | | |
|--|-------------------|
| • <u>Cattle</u> | • <u>Swine</u> |
| • <u>Sheep</u> | • <u>Goats</u> |
| • <u>Horses, Ponies, Mules and other Equidae</u> | • <u>Poultry</u> |
| • <u>Rabbits</u> | • <u>Camelids</u> |

Fair and Show Requirements: Cattle

ALL CATTLE

IDENTIFICATION: INDIVIDUAL IDENTIFICATION OF EACH ANIMAL SHALL BE AN RFID OFFICIAL EAR TAG.

Rodeo Cattle must have official individual ID that is recognized by the USDA. Rodeo Cattle are NOT allowed to commingle with any other cattle at the exhibition.

Immunization: Bovine Respiratory Disease Complex vaccination is required for all Maryland cattle to include Bovine Respiratory Syncytial Virus, Bovine Viral Diarrhea virus, Infectious Bovine Rhinotracheitis and Parainfluenza. Leptospirosis vaccination is recommended.

Out-of-State Cattle

Brucellosis:

1. Bovine Brucellosis Class-Free State, Region or Zone
 - a. No brucellosis test required.
2. Non-Bovine Brucellosis Class-Free State, Region or Zone
 - a. Official vaccinates under 24 months old with vaccination dates recorded on the Interstate CVI permitted, or
 - b. Test negative within 30 days before entry.

Tuberculosis:

1. Accredited Tuberculosis-Free State, Region or Zone
 - a. No tuberculin test required.
2. Modified Accredited Advanced or lower Tuberculosis Free Areas or States (Not TB Free)
 - a. All cattle over 6 months of age shall comply with the following:
 - i. Cattle must originate from a herd where a complete herd test was conducted within the past 12 months; progeny from such herds born since that test may be imported without a tuberculin test, or
 - ii. Any individual animal, over 6 months of age, entering Maryland must have a negative tuberculin test within 60 days before import.
 - b. Status of herd and area must be shown on certificate.

Fair and Show Requirements: Swine

ALL SWINE

IDENTIFICATION: INDIVIDUAL IDENTIFICATION OF EACH ANIMAL SHALL BE AN RFID OFFICIAL EAR TAG.

Maryland Swine

Brucellosis: Maryland is a Brucellosis Class-Free State. Brucellosis testing is not required for Maryland swine.

Pseudorabies: Maryland is a Pseudorabies Stage V state. Pseudorabies testing is not required for Maryland swine.

Immunization: Leptospirosis vaccination is recommended.

Out-of-State Swine

Brucellosis: All swine, except barrows, 6 months of age and older shall be negative on an official test for brucellosis within 30 days prior to exhibition entry, *or* originate directly from a validated brucellosis-free herd or brucellosis-free state.

Pseudorabies: Swine over 6 months of age shall be negative on an official test for pseudorabies conducted within 30 days prior to exhibition entry, *or* originate immediately and directly from a Qualified Pseudorabies Negative herd or Stage 4 or Stage 5 Pseudorabies-Free State.

Immunization: Leptospirosis vaccination is recommended.

Fair and Show Requirements: Sheep and Goats

ALL SHEEP

Identification for Sheep: All sheep must be officially scrapie-identified. Official identification for sheep includes the following:

1. USDA-approved scrapie ear tags;
2. Legible registration tattoos, for which the breed registration paper shall contain the registry premises or flock tattoo prefix that is linked to the APHIS-assigned PIN and flock ID number of the flock of birth, if breed registry is approved by APHIS; or
3. Legible tattoos consisting of an individual animal number unique within the flock in one ear and the official scrapie premises identification number (flock ID) in the other ear, except where the tail web or flank may be used for earless animals or animals with damaged ears; must be accompanied by an owner statement.
4. A microchip ID with official scrapie identification is acceptable if the owner provides the reader.
5. RFID tags.

Further clarification on the Federal Scrapie Program can be found at:

<https://www.aphis.usda.gov/aphis/ourfocus/animalhealth/animal-disease-information/sheep-and-goat-health/national-scrapie-eradication-program/>

Out-of-State Sheep

No additional requirements.

Market Lambs

It is recommended that all lambs be slick shorn prior to entry for inspection for club lamb fungus.

ALL GOATS

Identification for Goats: All goats must be officially scrapie-identified. Official identification for goats includes the following:

1. USDA-approved scrapie ear tags;

2. Legible registration tattoos, for which the breed registration paper shall contain the registry premises or flock tattoo prefix that is linked to the APHIS-assigned PIN and flock ID number of the flock of birth, if breed registry is approved by APHIS; or
3. Legible tattoos consisting of an individual animal number unique within the herd in one ear and the official scrapie premises identification number (flock ID) in the other ear, except where the tail web or flank may be used for earless animals or animals with damaged ears; must be accompanied by an owner statement.
4. A microchip ID with official scrapie identification is acceptable if the owner provides the reader.
5. RFID tags.

Maryland Goats

Brucellosis: Maryland is a Brucellosis Class-Free State. Brucellosis testing is not required for Maryland goats.

Tuberculosis: Maryland is an Accredited Tuberculosis-Free State. Tuberculin test is not required for Maryland goats.

Out-of-State Goats

Tuberculosis:

1. Accredited Tuberculosis-Free States, Region or Zone: No tuberculin test required.
2. Modified Accredited Advanced or lower Tuberculosis Free Areas or States (Not TB Free)
 - a. All goats over 6 months of age shall comply with the following:
 - i. Goats must originate from herds in which all animals are tested negative within the past 12 months; progeny from such herds born since that test, may be imported without a tuberculin test, or
 - ii. Any individual animal entering Maryland must have a negative tuberculin test within 60 days before import.
 - b. Status of herd and area must be shown on certificate.

Fair and Show Requirements: Horses, Ponies, Mules and Other Equidae ALL EQUINE

Identification: Individual official identification shall include the following as applicable: EIA test report with photo or drawing of the animal, tattoo, brand, or microchip. *Animals using tattoos or brands for official identification must be accompanied by the breed registration papers.*

Equine Infectious Anemia (Coggins) Testing: All equine for exhibition shall be accompanied by a valid Coggins Test done within 12 months prior to exhibition entry.

Self-Certification Requirement and Exemption: *Exhibitor's Self Certification of Animal Health* is required for each equine entering a fair/show-type event where multiple livestock species are present. The form must be available for inspection if requested. Those participating in equine-only shows and events are exempt from this

requirement; however, it is good practice to thoroughly double check the health and skin condition of the animal before departing for the event. The form provides an easy checklist to do this. Exhibitors may not bring an animal having apparent or known signs of a contagious or infectious disease to a show.

Maryland Equine

1. All horses and other Equidae, 9 months of age and older, shall be accompanied by a negative test for equine infectious anemia (EIA) made within the 12 months before the date of the event. A copy of this test shall accompany every animal.
2. A Maryland CVI is not required for Maryland equine.

Out-of-State Equine

1. All horses and other Equidae, 9 months of age and older, shall be accompanied by a negative test for equine infectious anemia (EIA) made within the 12 months before the date of the event. A copy of this test shall accompany every animal.
2. All horses and other Equidae shall be accompanied by a CVI issued within 30 days prior to entry.

An

Interstate CVI must be legible, made on an official form from the state of origin, issued by an accredited veterinarian, and issued for animals being imported to this state within 30 days before the entry of the animals, which shows that the animals listed thereon meet the health requirements of the state of Maryland.

Fair and Show Requirements: Poultry

ALL POULTRY

1. PRIVATE SALES WILL BE ALLOWED WITH PROPER DOCUMENTATION OF THE SALE BY THE EXHIBITION SPONSOR AND MAINTAINED FOR ONE YEAR.
2. IDENTIFICATION: Poultry entering an exhibition shall be identified with a numbered leg or wing band.
3. ALL POULTRY EXHIBITORS SHALL COMPLETE A *POULTRY EXHIBITOR'S SELF-CERTIFICATION OF ANIMAL HEALTH*.
4. DOCUMENTATION of test results must be provided on MDA-E06 and MDA-E20, VS Form 9-2, VS Form 9-3 or comparable form approved by the State Veterinarian.

Maryland Poultry

1. **Premises Registration**: All poultry exhibitors originating from Maryland must have valid proof of a registered Maryland Poultry Premises ID Number.
2. **Avian Influenza (AI) Testing Requirements**: All poultry, **including wild birds** except pigeons and doves, shown at public exhibitions in this state shall meet one of the following AI testing requirements:
 - i. Originate directly from an NPIP U.S. H5/H7 Avian Influenza Clean Flock as defined in Title 9 of the Code of Federal Regulations, or from a State Avian Influenza Monitored Flock as defined by the state of origin, OR
 - ii. Have a negative avian influenza test conducted on at least **15 birds** from their flock (**or complete flock if fewer than 15 birds**) within **30 days** prior to event and remain segregated from all birds of unknown or positive avian influenza test status.

3. **Salmonella Pullorum-Typhoid Testing Requirements:** All poultry, except waterfowl, wild birds, pigeons and doves, shown at public exhibitions in this state shall meet one or more of the following requirements:
 - i. Originate directly from an NPIP U.S. Pullorum-Typhoid Clean flock as defined in Title 9 of the Code of Federal Regulations (and there was no break in the chain of ownership by NPIP participants),
OR
 - ii. Have a negative official test for Salmonella Pullorum-Typhoid within 90 days before fair, exhibition, exposition, or show and remain segregated from all poultry of unknown or positive Salmonella Pullorum-Typhoid test status.

Out-of- State Poultry

1. **Avian Influenza (AI) Testing Requirements:** All poultry, **including wild birds** except pigeons and doves, shown at public exhibitions in this state shall meet one of the following AI testing requirements:
 - i. Originate directly from an NPIP U.S. H5/H7 Avian Influenza Clean Flock as defined in Title 9 of the Code of Federal Regulations, or from a State Avian Influenza Monitored Flock as defined by the state of origin, OR
 - ii. Have a negative avian influenza test conducted on at least **30 birds** from their flock (**or complete flock if fewer than 30 birds**) within **21 days** prior to the event and remain segregated from all birds of unknown or positive avian influenza test status.
2. **Salmonella Pullorum-Typhoid Testing Requirements:** All poultry except waterfowl, wild birds, pigeons and doves shown at public exhibitions in this state shall meet one or more of the following requirements:
 - i. Originate directly from a U.S. Pullorum-Typhoid Clean flock as defined in Title 9 of the Code of Federal Regulations (and there was no break in the chain of ownership by NPIP participants),
OR
 - ii. Have a negative official test for Salmonella Pullorum-Typhoid within 90 days before fair, exhibition, exposition, or show and remain segregated from all poultry of unknown or positive Salmonella Pullorum-Typhoid test status.

Fair and Show Requirements: Rabbits

Anne Arundel County 4-H
Livestock Auction Committee (LAC)
Rules and Regulations

Purpose: To bring all Anne Arundel County 4-H/FFA members together who have a Market Livestock Project for the purpose of promoting and organizing the Livestock Auction at the Anne Arundel County Fair to encourage the growth and expansion of livestock projects.

AUCTION MEMBER ELIGIBILITY:

1. To be eligible to sell in the Auction sellers must be a member in good standing of Anne Arundel County 4-H/ FFA, abide by all rules and regulations of 4-H/ FFA, Anne Arundel County Fair, and LAC.
2. **All sellers or any 4-H/ FFA members considering a market project must attend the Club/Chapter's scheduled Livestock Auction Committee Education Meeting, unless special permission is granted by the 4-H Extension Educator or FFA Advisor in advance.**
3. Sellers must be present at the auction in order to sell, unless special permission is granted by the 4-H Extension Educator or FFA Advisor in advance.
4. The seller must prepare and upload a personal biography including pictures for each animal onto the online auction platform, making sure that they thank last year's buyers **by September 1st**. If they are not on time the seller will not be able to participate in the Auction.

PRE-FAIR STEPS:

1. Sellers must weigh-in market animals at the official weigh-ins: second Saturday in January for steers and third Wednesday in May for all other market animals. New members and anyone who has an update to W-9, the form is due with the project registration papers at the Jan./May weigh in.
2. All animals must meet MDA and USDA tagging requirements by weigh-in.
3. Sellers must follow all USDA requirements for withdrawal of feed additives and medications. Any project animal that must be treated for illness or injury, and that will not meet the drug withdrawal dates, should be removed from the Auction, and cannot be shown in 4-H/ FFA market classes.
4. All state health regulations must be complied with and will be strictly enforced. All male livestock market animals of beef cattle, dairy cattle, lambs, swine, and goats must be neutered and healed prior to 4-H/FFA weigh in and tagging. The only exception would be animals that have obvious signs that they have been banded however their scrotal sac is still intact.
5. Sellers should contact at least two new buyers every year. Buyers' names and addresses must be turned in to the LAC via Google Forms by May 1. The Buyers' letters must be turned in to the Livestock Auction Committee Box in an unsealed, addressed, stamped envelope for review at May Weigh-In. The sellers are requested to visit their prospective buyers to follow up according to the suggested marketing schedule.
6. All correspondence with buyers must be proofread and approved by the club leader, advisor, or Board of Directors prior to being mailed out.
7. A poster or sign thanking your previous year's buyer must be hung in their stall space prior to fair opening. **Signs will not be written in pencil or ink.**
8. All entries will be completed on time as stated in the 4-H/ FFA catalog.
9. Limit: Each exhibitor is only allowed to sell **2 steers**, 2 pigs, 2 goats, 2 sheep and **1 turkey** per exhibitor. If they show more than the limit to sell each exhibitor must confirm with their species chairperson which animals will sell at check in/weight in (no exceptions). If the animal is Grand champion and owned by an Anne Arundel County 4-H/ FFA Member, then that animal must sell. The champion and reserve champion turkey and rabbits are required to sell.
10. If a member is dual enrolled in both 4-H & FFA, the member needs to choose which species are registered with each organization. Note that how an animal is registered may impact State Fair Registration as they do not recognize dual enrolled members. Ask your 4-H Club leader or FFA Advisor for more information if needed.
11. All market lambs must be slick sheared prior to arrival at the fairgrounds.
12. Sellers and their families must sign up for at least 1 of the LAC assignments or sub committees.

13. 4-H/FFA families are encouraged to sell raffle tickets. The ticket stubs, money and any unsold tickets are due at check in/weigh in.
14. All sellers and their families are encouraged to participate in one outside sales promotion to help promote the Auction and the Fair. These could be booths, meetings, or other opportunities the committee finds.

FAIR WEEK STEPS:

1. Upon arriving at the fairgrounds, exhibitors are responsible for checking in their animals prior to unloading. At check in you must submit (1) one photocopy of your Certificate of Veterinary Inspection papers and the completed Livestock Self Certification papers.
2. All sellers are responsible for having their market animals weighed in at the designated times by their Species Chairperson and the fair representative. Pigs, goats and sheep will be weighed in as they are unloaded between 3pm and 7pm. Weigh-in for steers will begin at 7pm.
3. If the minimum weight or rate of gain is not met on an animal, it may not be shown in 4-H/ FFA market classes or sold in the Auction. There will be no re-weighs. The following Rate of gain will be met per species per day in order to sell in the Auction:
 - a. Swine: 1.5 lbs
 - b. Steer: 2.0 lbs
 - c. Sheep: 0.3 lbs
4. All animals must meet minimum weight and may not exceed maximum per species in order to sell:
 - a. **Steer: 1000 lbs minimum weight and may not exceed 1500 lbs maximum**
 - b. Swine: 220 lbs minimum weight and may not exceed 325 lbs maximum
 - c. Sheep: 80 lbs minimum weight and no maximum
 - d. Goat: 60 lbs minimum weight and no maximum
 - e. **Turkey: 20 lbs minimum weight**
5. All animals must be exhibited in the show ring by the 4-H/ FFA owners. Any request for exemption must be approved by check in date by the 4-H Extension Educator or FFA Advisor. If approved the animal may be shown by another 4-H/ FFA member of the same age or younger. In the event of sickness or injury after check-in, the case will be reviewed by the 4-H Extension Educator or FFA Advisor. Parents cannot show or fit or prepare the 4-H/ FFA members animals.
6. Animals must be kept on their normal feeding schedule to prevent weight shrinkage or loss until they are loaded onto the trailers.
7. Sellers owning animals that do not meet the sale criteria will not place For Sale signs on their project animals until after the Auction is complete. Private treaty sales prior or during the Auction are prohibited. Anyone doing this will not be allowed to sell the following year. If any emergency or extenuating circumstance prior to fair prohibits you from selling your project at auction you need to find a buyer who is not a current customer of the LAC and with communication to the LAC.
8. Each seller is required to have his/her picture taken at the time designated. This picture will be put on the buyer's poster/certificate. One picture per animal to be sold is needed.
9. 4-H/ FFA Uniform requirements: Each member will be required to wear the official uniform of their organization while showing and presenting their animal for the Auction.
10. All sellers are requested to work at the information booth for at least 1 hour during the fair week.

DAY OF AUCTION STEPS:

1. Reminders:
 - a. Assist with set-up (4pm), dinner, tasks during the sale, and clean-up following the sale.
 - b. Bring a food dish and a case of water and soda to contribute to the Buyers' Dinner.
 - c. Attend the pre-sale meeting at 5pm Saturday in the Auction Dinner tent with a parent/guardian.
2. Be prepared and present to enter the sale ring with your animal at the appropriate time. Animals not ready to sell when called and miss their sale order will sell at the end of the auction for that species.
3. Grand & Reserve Champion animals will sell first in each species group. The remainder of the order is chosen by placing order as determined by the LAC; the Species Chairpersons and the Barn Manager will produce the order.
4. Any animal designated as "donated back" by the buyer during the Livestock Auction will be resold to a private

livestock contractor at the end of the sale for fair market value. The proceeds from the sale will go back to the designated organization.

5. All sellers in the Auction will remain at the ring area until the conclusion of the auction. Sellers should be building up the crowd and available to assist wherever needed during the sale.
6. Any animal that is determined to not be in a showmanship condition will be refused entry into the sale ring until properly cleaned. Upon being properly cleaned, every attempt will be made to market the animal at the next opening after having been represented to the ring gate keeper. If the last animal has been marketed prior to your returning with your cleaned animal you will have forfeited your opportunity to have your animal sold at the Auction. Animals may only be decorated with products that are non-toxic. Only approved animal products may be used. Decorated animals need to be washed clean prior to the conclusion of the fair.
7. The only awards allowed in the Auction ring are those showmanship and market awards won on the animal to be sold at that fair.
8. The Auctioneer has the final say on all bids.
9. If a seller asks a buyer for their animal to be returned to them, or if they ask for a buyer to give them an animal without purchasing it, they will automatically forfeit the sale of their animal and the purchase price will be returned to the buyer.
10. A 4-H/ FFA member or their relatives cannot physically approach, distract, or interfere with someone actively bidding on an animal during the livestock auction.

AFTER THE AUCTION STEPS:

1. Members must create an acceptable thank you letter the day after the Auction which will be read and approved by the LAC. The thank you letters/cards must be turned in with envelopes and stamps between 1pm and 3pm on Sunday after the Auction or you will forfeit your auction check.

GENERAL RULES:

- A. In the operation of the Anne Arundel County 4-H/ FFA Livestock Auction, the "Seller" is the 4-H/ FFA youth offering an animal for sale through the auction process. The "Buyer" is the party identified by the Auctioneer as submitting the highest accepted bid for an animal. The Seller and the Buyer enter into a contractual agreement when the Auctioneer declares the animal "SOLD." Both Buyer and Seller will affirm their contract by signing the Anne Arundel County 4-H/ FFA Livestock Auction Agreement at the time of purchase. If the Seller is a minor (under age 18 on the date of sale), the Seller's parent or guardian must also sign the Livestock Auction Agreement (contract).
- B. The Anne Arundel County 4-H/ FFA Livestock Auction Committee will serve as host and facilitator of auction sales. The Anne Arundel County Fair will provide auction facilities but does not assume any managerial or financial role in the auction. The Auction Committee will register Buyers/Bidders, provide auction management and administrative services, accept payments from Buyers, and issue payments (less fees) to 4-H/ FFA Sellers. In collecting and issuing payments, the Committee does not assume, accept, or limit the legal rights or obligations of the Buyer or the Seller.
 1. FEES: The LAC will charge 5 % commission on each animal sold to be placed in the Anne Arundel County 4-H/ FFA Livestock Auction fund. Funds raised from the commission will be used for maintaining the livestock scale, promotional costs (including pictures, buyers' correspondence and advertisements), sale expenses, livestock facility improvements, hauling of animals and other expenses deemed necessary by the committee.
 2. If a sale animal dies after the auction but before being processed at the plant the buyer will be contacted and given the choice of a replacement animal of like quality and size or their money refunded. The LAC fund will contribute up to \$2500.00 for the replacement of the animal. If the replacement cost is more than \$2500.00, the seller will be responsible for the difference (difference to be withheld from sellers proceeds). If the buyer chooses to be refunded, the buyer will be refunded from the sale proceeds and the seller will be paid from LAC fund for the sale cost of the animal, payment not to exceed \$2500.00. The replacement of the animal or money refund will be handled by the Species Chairperson, 4-H Extension Educator, FFA Advisor, and the LAC President.

3. If a sale animal is condemned in the slaughter process (because of disease, use of medicine, infection, etc.) it is the seller's responsibility to absorb the loss. The buyers will be refunded their money.
4. Under no circumstances will a seller whose sale prospect dies or becomes sick or injured to the point of being unable to show or has been otherwise termed as unfit, be allowed to sell in the Auction
5. The LAC does not guarantee the sale of any animal. Every effort will be made to market each animal while in the auction ring.
6. Market animals that do not sell through the auction may be transported with the sale animals to the processors if there is space on the trailer. They have to let the checkout table staff know during the auction, and they pay \$30 per hog, \$15 per sheep or goat, and \$385 per steer. This must be paid by the conclusion of the auction.
7. If the funds in the LAC treasury are low, a Fundraiser may be required to rebuild the funds. In this case all sellers will be required to participate.
8. All grievances with the Anne Arundel County Fair 4-H/ FFA Department (AACF4-HD) must be submitted to the AACF4-HD via the 4-H Educator or FFA Advisor in writing. A \$50 fee must accompany the written grievance. During the fair, grievances will be reviewed by the grievance committee within 24 hours of receiving the written complaint. The grievance committee shall always consist of the 4-H Educator or FFA Advisor, the Barn Chairman, the species chairman, the Fair President, and a 4-H or FFA Member. The committee may also include the Fair Week Manager, the 4-H Club Leader, FFA Advisor, and other species chairmen as appropriate. The grievance committee shall have a minimum of 5 members present to vote. If a grievance is submitted outside of fair week, the issue will be reviewed at the next regularly scheduled meeting. The decisions of the committee shall be final and binding. Should the protest not be sustained, the \$50 fee will be forfeited to the AACF4-HD fund.
9. Payment for animals sold at the Auction will be mailed to the seller after payment has been received from all the buyers.
10. In the event of an emergency or unforeseen circumstances, the LAC committee can alter the rules and regulations for the benefit of the Auction by a 2/3 majority vote.
11. If a Buyer fails to pay their invoice, the Livestock Auction Committee will make a good faith effort to collect the monies owed, through communication with the Buyer. The LAC is under no obligation to pursue legal recourse or collections through legal channels against non-paying Buyers. If good faith efforts to collect payment fail after 3 months, the Anne Arundel County 4-H / FFA Livestock Auction Committee will cease collection efforts and offer to pay to the Seller the fair market value of the animal. The amount of payment will be determined according to the September USDA Report and will not exceed \$2,500.00 per animal. This payment in no way limits the rights of the Seller to individually pursue legal claims or collection actions against the Buyer. If the Seller accepts the fair-market-value payment from the 4-H/ FFA Livestock Auction Committee and later receives full or partial payment from the Buyer under their auction sale contract, the Seller must promptly return to the Livestock Auction Committee the fair-market-value payment that the Livestock Auction Committee made to the Seller.

4-H Department P - MECHANICAL SCIENCES

Division Rules & Regulations:

1. Exhibitors may only enter 1 exhibit per class.
2. All exhibits must be clean and free of labels and tags, unless otherwise specified in the section rules or class description.
3. **Judging:** The judges will give placings up to 3rd in each class. Unless otherwise noted in section, exhibits will be judged in one of the 4-H Age Divisions: Junior (ages 8-10); Intermediate (ages 11-13); Senior (ages 14-18). Entries not conforming to class description and/or division/section rules & regulations will be disqualified.
4. **Awards:** Ribbons will be awarded to 1st through 3rd. Premiums: first - \$5, second - \$3, third - \$1. Rosettes will be awarded to the Junior, Intermediate, and Senior Champions and Reserve Champions in each section, if there are sufficient entries as determined by the Superintendent.

WOODWORKING AND METALWORKING

Section Rules & Regulations:

1. A plan, blueprint, working drawing or sketch used in construction, must accompany each exhibit, along with a statement of intended use. Enclose all documentation in an envelope printed with the Exhibitor's name, age, phone #, 4-H County/City and class. Attach envelope to exhibit with string or tape. Notes: Birdhouse plans must state the species of bird for whom the house is designed. A "before" photograph along with a statement of intended use, must accompany each exhibit in the "refinishing" class.
2. The maximum size is 3' x 6' x 5'. Where indicated in class description, LD is "largest dimension" and SD is "smallest dimension".
3. All restoration entries must be entered in those respective classes. All kits should be entered in the kits classes in the crafts and hobbies department. Kits are defined as an exhibit assembled or made from pre-cut pieces whether it is a commercially purchased kit or the exhibits are pre-cut for a workshop and then assembled by 4-H member. All exhibits in the other classes must be made of worked wood (cut, shaped, etc.).
4. Special note regarding Birdhouses: Birdhouses with perches attract unwanted, non-native birds such as House Sparrows and European Starlings, that are more aggressive than our native birds such as the Bluebird. Currently, these non-native birds are primarily responsible for the decline of many of our native cavity-nesting species. This note does not apply to decorative birdhouse classes.
5. Judging Criteria: Design and Plan; Workmanship; Choice of Wood; Suitability and Quality of Finish; Usefulness.

NATURAL RESOURCES

Section Rules & Regulations

1. Exhibitors may only enter 1 exhibit per class. Due to limited exhibit space, collections are limited to one display case per class entered. Case dimensions may not exceed 25" x 30". Photos may be used to indicate the size/scope of collections too large to exhibit in their entirety.
2. Collections should include items collected from nature and identified as to common name, scientific name and state, region or country where collected. NOTE: Senior exhibitors must include additional information appropriate to the collection (e.g. where specimen is grown or found, native vs. non-native collection, dollar value of timber sales for various trees, etc.)

ENTOMOLOGY

Section Rules & Regulations:

1. Exhibitors may enter 1 general collection in the appropriate class and may also enter a collection in classes: Q29, Q30, and Q31. Exhibits in these classes must be separate from the general collection.
2. Most specimens should be collected and mounted by the exhibitor. Insects must be mounted according to the instructions in the 4-H Entomology Project Guide, 4-H 225. Insects of the same order should be grouped together. Specimens must be mounted on standard insect pins.
3. Limited specimen trading is allowed as long as the original collector's label is retained. If Exhibitor is a previous Entomology Exhibitor, a substantial number of new specimens should have been collected during the previous year. All new specimens collected since last year's fair should be identified by placing a straight pin with a colored head by the insect. Do not use these pins to pin the insects!
4. Each collection must be accompanied by a 3" x 5" card identifying the number of specimens in the collection, the number of orders in the collection, and the number of specimens collected since last year's fair.
5. One or more boxes with pinning bottom may be used. Boxes should be at least 5" x 8" in size and covered with glass or other transparent top.

CLASSES

Junior	Inter.	Senior	Class Description
Q1029	Q2029	Q3029	Insect Specialty Collection – a collection of specimens in a special taxonomic group such as a family or genus in a single order. Identify specimens as specifically as possible. Include a brief explanation of the collection on the 3" x 5" card.
Q1030	Q2030	Q3030	Ecologically-related Insect Collection - a collection of specimens which are related to each other by habitat, such as on one plant, in a garden, on an animal, in a household, aquatic insects, etc. Identify specimens at least to order. Include a brief explanation of collection on a 3" x 5" card.
Q1031	Q2031	Q3031	Educational Insect Exhibit – an exhibit suitable for teaching some aspect of entomology. For example, a collection indicating the various type of metamorphosis, (e.g., egg, larva, pupa, and adults of selected insects) or one that shows various types of mimicry (e.g., flies and the bees they mimic, insects with warning coloration, etc.). Include a brief explanation of the collection on a 3" x 5" card.

MISCELLANEOUS SCIENTIFIC EDUCATIONAL DISPLAYS

Section Rules & Regulations:

1. Exhibitors may enter 1 display per class; exhibits entered in this section may not be entered in other classes in this division.
2. Exhibits may consist of one of the following: demonstration of a scientific idea; performance of an experiment; or presentation of a research project.
3. Only educational displays may be entered, NOT collections. Collections should be entered in the appropriate class in one of the other sections in this division.
4. Graphs, charts, information table, photographs, drawings, etc. may be used in the display. A printed or typewritten summary must be attached to the display. See division rules for additional rules for Educational Displays.

Division Rules & Regulations:

1. Exhibitors may only enter 1 exhibit per class.
2. Exhibitors and exhibits must comply with "Anne Arundel County Fair Rules & Regulations", "General 4-H Rules & Regulations", these "Division Rules & Regulations" and the applicable "Section Rules & Regulations".
3. All exhibits must be clean and free of labels and tags, unless otherwise specified in the section rules or class description.
4. **Judging:** The judges will give placings up to 3rd place in each class. Unless otherwise noted in section, exhibits will be judged in one of the 4-H Age Divisions: Jr. (ages 8-10); Inter (ages 11-13); Sr. (ages 14-18). Entries not conforming to class description and/or division/section rules & regulations will be disqualified.
5. **Awards:** Ribbons will be awarded to 1st through 3rd. Premiums: first - \$5, second - \$3, third - \$1. Rosettes will be awarded to the Junior, Intermediate, and Senior Champions and Reserve Champions in each section, if there are sufficient entries as determined by the Superintendent.

CUT FLOWER

Section Rules & Regulations:

1. Members must be enrolled in the appropriate Horticulture Unit for the current year.
2. Containers for cut flowers should be sturdy jars or vases. Quantity of items/samples in exhibit to be entered is indicated in parentheses.
3. Plant materials for arrangements/corsages do not have to be grown by the exhibitor. All cut flower branch stems must have stem leaves attached. Cut flowers are judged as agricultural products desirable for commercial sale. Exhibits should be labeled with variety name, if known.
4. Classes with an asterisk (*) require exhibit to be labeled with the variety name(s)

4-H CLUB GARDEN (TCG 00003)

Clubs and/or teams are encouraged to adopt a new or keep their existing garden/flower area. Please check with Joan Mauritzen (410) 255-4213 to let her know that you will be participating in this on-going project. This project/contest is being put in place to showcase your garden area as well as the fairgrounds on a year-round basis. Premiums will be the same as other club projects and will be made payable to the club, not the individuals.

Guidelines:

1. April-October monthly visits to maintain your area, keep it free from weeds, trash, etc. and planting of flowers.
2. If you have an area next to any building no trees may be planted due to maintenance and overtaking by tree roots, branches, etc. It is best to check with Fair President, Joan, or 4-H staff before planting trees anywhere on the grounds. When contacting these people please know where and what kind of tree you want to plant.
3. When planting your garden, please be aware of evading species that could spread and take over other areas.
4. Fair President or designee will check gardens at a set time each month to see that they are up to par. We will send everyone a schedule of work days and check updates once established. A point system will be established for judging and sent to all.
5. Fair/4-H is not responsible for the loss of plants, decorations, or anything else that is used in gardens.
6. Please make note that plants may need to be watered during the hot dry months. When stopping by the fair please check in at the office to let someone know you are there, so that you don't accidentally get locked inside the gate.
7. Plan workdays, watering, etc. with the fair schedule. Many weekends the fairgrounds are rented and you will not be able to access your garden area.
8. Bring your own tools to work with, including a garden hose for watering. Once you receive your garden area you will be given a chart with location to nearest water hook up and mulch pile for your use.
9. Use of fair equipment is prohibited (tractors, golf cart, etc.) unless you make prior arrangements with the fair staff certified to run the equipment.
10. Once you receive your garden area it is up to your club/group to maintain it. It will remain your area until you tell Joan otherwise, or you continually do not maintain it, upon which time it will be reassigned.
11. Each garden area should have a small sign stating the club name/team. The 4-H office upon request will supply a small laminated AA statement sign for your garden.
