Anne Arundel County Fair President's Welcome

I welcome you to the Anne Arundel County Fair! As Fair President, I have the privilege of inviting everyone to come out and enjoy YOUR 2024 fair! As you may know, Anne Arundel County Fair, Inc. is a non-profit organization run and managed entirely by volunteers. Before, after, and most certainly, during fair, our volunteers donate many hours of their time and energy to make the Anne Arundel County Fair a success. Their continued dedication allows us all to enjoy such a longstanding and rich tradition.

From agriculture activities including county-grown produce, crops, and livestock, to craft displays and works of art, live entertainment, pony rides, carnival rides and games, as well as many interactive activities for the family, horse and tractor pulls, sawmill, antique tractors, and food!

Our fair has something for everyone. If you or a family member created a craft during the year, we have an entry class for you. We welcome your entries and are excited that you become part of your fair!

Please take a look through our exhibitor catalog. It contains all the information needed for your entries. The catalog has all the information, rules, how to enter, judging, and the award processes. The catalog also gives the rundown on the many exciting live entertainment acts we have throughout the week. This year's fair runs September 11th to the 15th at the fairgrounds in Crownsville. Our talented residents and youth groups will once again be displaying and competing with the best the county has to offer. Our fair offers a way to spend the day with family and friends and enjoy the many exhibits that will be on display. We look forward to you joining us at the fair! I also would like to thank the organizations who volunteer their time to our community and Fair.

AACo. 4-H and FFA, Local Boy Scout Troops, Girl Scouts, AACo. Antique Tractor Club, Master Gardeners, AACo Reserve Officers, AACo Farm Bureau, and Herald Harbor Volunteer Fire Dept. and other Volunteer Fire Dept, and Arundel Rivers Federation. Thanks to other supporting state and county organizations and departments for their dedication to the integrity, support and safety of our agricultural exhibits. Organizations like the Agricultural Fair Board, MAAFS/Maryland Association of Agricultural Fairs and Shows, UME/Cooperative Extension, Maryland Farm Bureau, Soil Conservation and Maryland Department of Agriculture. And a big thanks to the State of Maryland Department of Natural Resources and our Anne Arundel County government and administration. To our local Business supporters, thank you for making this fair better to serve its community whether it is as a fair sponsor, vendor, advertiser, donator, contributor, or fairgrounds rental.

To all the US Military and First Responders including our County Police, Sheriff's Departments, and Fire Departments, who provide for our continued freedom and protection. THANK YOU FOR YOUR SERVICE!

Your Anne Arundel County Fair President,
John H. M. Faber

In Memoriam

Dan Overstreet

As a young child, Dan was introduced to the Fair through his 4-H Club. At this time, the Fair was being held at Sandy Point State Park. Some of his early entries included baked goods, vegetables, leather crafts and photography. His first volunteer efforts were as a 4-Her and included helping with entry day, delivery of ice to vendors and directing parking at the old westing house lot. As the Fair moved to its current location and Dan became an adult, it was easy for him to transition from a 4-H volunteer to a Fair member! In the 1980 catalog, Dan was listed as purchasing agent. This was when the Fair was still held at Sandy Point. When the Fair moved to Crownsville, Dan helped his dad with the Bicycle Rodeo and helped his mom and dad with the Farm and Garden Department. Dan served in the Army from 1984-1986 and when discharged resumed his volunteer efforts with Fair events and activities. He was even the director of Halloween Happening. He served on the Board, rental committee and took on the job of parking by providing a cadre of volunteers to park cars for many years. Dan became Chair of the Farm and Garden Department after his parents passed away. Lisa and Dan took on the holiday volunteer dinner for many years when Marie Gish stepped back. They also took on the Pie eating contest until his passing. So many Fair members watched Dan as he grew up at the Fair. Dan returned each year to volunteer and he brought with him a seemingly endless supply of happy, hard-working volunteers, many of whom were family and friends. They and Dan will never be forgotten because of the many things they did and taught us to do. We lost a precious gift when we lost Danny Overstreet, a volunteer hero! The Fair is thankful for all Dan did and for leaving us his wonderful wife Lisa, his friends and family to help carry his spirit as they volunteer at the Fair. Thank you Dan for all the wonderful memories.

Ruby Schwin

Many folks knew Ruby Schwin as the Chair of the Indoor Building or remember her as the 4-H Program Assistant, always there at the 4-H desk, willing to answer a question or share a story. However, her love of the fair and 4-H goes way back...Ruby Schwin was instrumental in the development of and served as the first club leader of the Anne Arundel Dairy Leasing Club. This was the first time in 4-H history, members leased dairy animals from a private herd, then the United States Naval Academy Dairy Farm, worked with them and showed them as their own. Ruby was very involved in getting the club up and running, and leading the club, along with many other events held there at the Dairy Farm. One volunteer said it was two years before she ever saw Ruby NOT behind a table volunteering! Ruby worked tirelessly for 4-H, the Maryland State Fair and our own Anne Arundel County Fair. Although Ruby's 4-H title was Program Assistant, there were many years when she ran the County 4-H program, because there was no one else. She did her best to see that everything ran accordingly to plan, and volunteers will always be ready to help her see things get done. When the Teen Leaders decided they wanted to have an Interstate Exchange, Ruby worked with the teens to make it happen. As for the fairs, how many remember Animal World at State Fair? Ruby, would help gather farm animals from all over the state, so that youth who attending the fair would get a first hand look at a cow, a sheep, a llama, ducklings, chicks, anything she could bring to the fair. She then stayed there day and night with those animals, overseeing the teens who cared for them during the day. At the County Fair, Ruby was usually running the 4-H Department, when there was no 4-H educator, and was always a staple of the Indoor Building! She loved to see the kids with their projects and animals, always interested in what they were doing and how they were doing. She was always there to see that all the kids got to participate in their activities, whether 4-H, FFA or the general public. She was always thinking about new things for them to do or enter. Ruby was true testament to the volunteer spirit of 4-H and the Anne Arundel County Fair. She leaves a legacy of kindness and volunteerism, we should all strive to emulate.

With sizzling electric fiddle, lead guitar, rhythm guitar, bass, trumpet, and driving percussion, coupled with the use of cutting edge music technology, Oracle covers the hit songs of yesterday and today with a full band sound that actually sounds fuller and fatter than that of much larger groups. Saturday Headline Nowhere Men

The NoWhere Men - Like to dance? Love that Motown sound, the great horn bands of the 60s and 70s and hits from artists like Chicago; Earth, Wind & Fire; The Four Tops; Stevie Wonder; The Temptations; Tower of Power and much more? Then you will love The NoWhere Men. Originally formed in the 1960s and still playing the music they love today, The NoWhere Men will provide great LIVE music for your event.

The members of The NoWhere Men have performed in venues with some of the legends of music, including such stars as Sam Moore (Sam & Dave), Gary Puckett, Sy Palmer (The Drifters), The Grass Roots, Three Dog Night, Felix Cavaliere and the Rascals, Dan Akroyd (Blues Brothers), Frankie Valli and The Four Seasons, and Kool & The Gang.

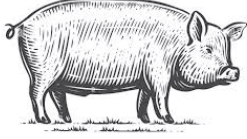

Sunday Performer Anna Stamato

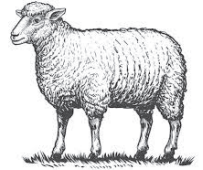

Songwriter Anna J Stamato is making her official debut in country music as she fuses country's rhythmic storytelling with pop's catchy melodies. Drawing inspiration from Randy Travis, Taylor Swift, and Alan Jackson, the 24 year old Frederick native has her footings in the classic country sound while making it distinctively her own. In 2016, Anna was accepted into the esteemed Songwriting program at Belmont University, where she studied with Grammy award winning professors, producers, and mentored under Marcus Hummon (co-writer of "Cowboy Take Me Away" by the Dixie Chicks and "Bless The Broken Road" by Rascal Flatts). Since graduating in May of 2020, Anna has been performing both in Nashville, TN and Charlotte, NC while she finalizes her upcoming music releases.

4-H

4-H is a Positive Youth Development (PYD) organization based out of the University of Maryland's College of Agriculture and Natural Resources, Extension. Extension connects University research, scholarship, and best practices with our communities through youth members, guided by certified adult volunteers. Our programs began as solely agriculture based. Although we stay connected to our roots with projects in animal science and agriculture, the scope is widening with youth engaged in leadership, service, healthy living, finance, STEAM, creative art, gardening, photography, shooting sports, nature/ environment, and much more! You will see many youth projects on display throughout the Anne Arundel County Fair in the livestock area and the indoor exhibit building in the 4-H section. With over 100 years of experience, 4-H is the largest out-of-school youth program in the United States in both rural and urban areas. 4-H gives young people experiences – where they can learn by doing, grow from failure, express their ideas, and lead. We tap into their potential and empower them to become true leaders. A variety of delivery modes are utilized: community clubs, special interest groups, school enrichment, camping, and more. 4-H will continue to grow and develop with the head, heart, hands, and health of youth. For additional details, please email AACMD4H@gmail.com.

 - The Maryland CVI is **valid for 120 days for fairs and shows**, providing that the status of the herd or animal(s) does not change.
 - The Maryland CVI is a **legible record**, made on an official Maryland State form, issued by a Maryland accredited veterinarian, issued for animals being shown within the state and not crossing a state line, which shows that the animals listed thereon meet the health requirements of the state of Maryland.
 - The Maryland CVI **must be completed and signed by a Maryland accredited veterinarian** using the properly selected report on the CVI form. Each animal must be properly identified on the CVI. The veterinarian must select if this document is for fair and exhibition season, sale or other (with explanation).
 - The veterinarian is required to send the original (white and canary) copies to MDA Headquarters **within 7 days of completion**, the middle (pink) transport copy is to be retained by the owner and should accompany livestock during travel.  - The Interstate CVI is **valid for no more than 30 days** from the date of inspection.
 - An **Interstate CVI must be legible**, made on an official form of the state of origin, issued by an accredited veterinarian, and issued for animals being imported to this state within 30 days before the entry of the animals, which shows that the animals listed thereon meet the health requirements of the state of Maryland.

Clinical signs include but are not limited to active lesions of ringworm with resulting loss of hair, sore mouth, sore nose, caseous lymphadenitis, prolapse, mange, or multiple warts easily visible without close examination.
 - d. Suspicion of communicable disease is adequate grounds for rejection. Confirmed diagnosis is not required, since timely removal of suspicious animals is required by law to protect the remaining animals.
 - e. Exposed animals may be rejected: If it is believed that there is a potentially serious communicable disease present, all animals originating with the suspect animal may be rejected. Vesicular diseases are of particular concern.
 - f. All decisions are final.
 - g. All parties involved will be notified of all rejections, including exhibit sponsors and supervisors.
